

## Factsheet **PRIX Systeme GmbH**

PRIX Systeme GmbH is the specialist for manufacturing extremely stable roller shutter boxes. As one of the pioneers in the development of industrially manufactured roller shutter boxes, the company can look back upon more than 70 years of business. In 2016, the new modern site was moved to Rammingen in Allgäu and thanks to investments in production systems and logistics, the foundations for further expansion were laid.

Typical PRIX – conspicuously inconspicuous!  
You can find further information at [www.prix.de](http://www.prix.de).
